PROFILE

Passionate and detail-oriented MCA student specializing in web and application development, with a strong foundation in database systems. Adept at building user-friendly, responsive web platforms using modern development tools and eager to contribute to innovative tech-driven projects in a collaborative environment

EXPERIENCE

Intern – Web Developer

Qweez Technologies,Kolhapur | Oct 2023 – March 2024

Developed a fully responsive and dynamic website for Qweez Technology using HTML5, CSS3, JavaScript, PHP, and MySQL to manage course listings, user inquiries, and admin access. Enhanced user engagement by designing interactive elements such as course reviews and enquiry forms.

TECHNICAL SKILLS

Programming Languages: JavaScript, Java (Core)

Frameworks & Libraries: React.js, Node.js, Express.js

Frontend Technologies: HTML5, CSS3, JavaScript, Tailwind CSS

Databases: MySQL, MongoDB

Core Concepts: Object-Oriented Programming (OOP), DBMS, Responsive Web Design

PROJECTS

Qweez Technology – Official Website

Dynamic full-stack web platform for IT course promotion

- Developed a dynamic website for Qweez Technology using HTML5, CSS3, JavaScript, PHP, and MySQL, featuring course listings, inquiry handling, admin access, and interactive elements like reviews and enquiry forms in collaboration with a 4-member team.

Car Rental Management

A full-stack peer-to-peer car rental platform built with React and Node.js where car owners can list their vehicles with multiple images and pricing, while customers can search by location and dates, book cars with optional **price negotiation**, and manage their rentals. The system features a comprehensive cancellation policy with tiered fees (free if 3+ days before pickup, increasing fees for late cancellations) to protect owners from last-minute losses, role-based dashboards for both owners and customers, real-time booking calendars showing availability, and secure JWT authentication with offline payment at pickup.

EDUCATION

Master of Computer Applications (MCA)

KIT IMER, Kolhapur – *Pursuing*
